MEMORANDUM FOR: Dr. D. A. FitzGerald,
Deputy Director for Operations,
International Cooperation Administration.

SUBJECT: Proposed ICA Program Approval No. 58-150 - Libya Defense Support

The Department of State has reviewed the above-mentioned program for Libya, received in this office March 13, and recommends approval of the $10.0 million for implementation purposes; however, since the project portion does not appear to be firmly defined, it will be appreciated if an actual description of the composition of the projects is furnished the Department prior to the actual implementation of the programs.

It is suggested that the additional $5.0 million for planning purposes be resubmitted at a later date, after a firm requirement has been established for this item.
